

UNIQUENESS

Maximum care for the beauty and health of your skin and hair without harming nature. We create and collect only the best and most sustainable products for you.

- Use of natural and organic ingredients (vegetables and fruits, vegetable oils, extracts, deep-sea algae, healing salts, mud, etc.)
- Lack of animal testing and rejection of components obtained with harm to animals
- Using recyclable packaging
- Approval of each component by the reputable certification associations.

INGREDIENTS

All products are made with love and care. Plants and fruits, extracts of which are used in cosmetic formulas, are grown in ecologically clean places, without the use of chemical fertilizers and GMOs.

All the useful things that nature offers us, we carefully collected in our products, consisting of at least 95% natural origin ingredients. At each stage of production, strict quality control is carried out.

The products contain no synthetic fragrances and dyes, parabens and other harmful substances. We use exclusively natural ingredients and certified organic oils and extracts. Suitable for use at any age.

CERTIFICATES

Our products are certified according to a leading global standard such as COSMOS STANDARD by the German certification body IONC (BDIH). COSMOS certificates confirms, that all ingredients and packaging used in products are made in compliance with organic/natural cosmetic strict requirements, as well manufacturing process.

VEGAN certificate confirms, that products do not contain animal origin ingredients. All cosmetics and ingredients used in products were not tested on animals, and they don't even have traces of animals during production process.

What's new?

New Vegan Certified Formulas!
Improved formulas, with new scents,
in which everyone will find a product
to their liking!

The waterless, non-greasy formula of
our scrubs will leave no one indifferent.

new 2023

We created a **NEW** Organic Shop Sauna scrub collection that offers an absolutely **NEW SAUNA** experience.

Organic Shop Sauna scrub line is **specially developed** to refine the sauna routine, offering a blend of natural ingredients that **deeply cleanse, exfoliate and invigorate the skin.**

Our scrubs are enriched with **exfoliating ingredients, nourishing oils and aromatic essences.** The scrubbing pieces gently remove impurities, leaving the skin feeling revitalized, smooth, and deeply moisturized.

It is a **really new level** of sauna ritual enhancing with the ultimate pampering and skincare benefits, while giving relaxation and rejuvenation.
